Joyce,

Attached are the Final 11/4 and Draft 11/5 RCMS 1900-55 reports for the Gold King Mine Treatment Stabilization TDD. We are currently funded at \$660,000. Based on this estimate we are at 82.2% of funding.

START has demobed from site so future costs should decrease significantly. I recommend that RCMS reporting be reduced to once per week at this time.
